

# The Journey

Summerhill School may be further away from where you live so it is important to plan and practice your new journey to school ready for September.

Talk to your family about the best way to get to school. Read the bubbles together and colour in any that you will need to think about.

Where am I going?	How long will it take?	How am I getting to school?	What time do I have to leave?
How will I make sure I wake up on time?	Will I go with friend?	Should I get a bike lock?	Where is the bus stop?
Who will drive me?	Where can I leave my bike?	Is my jacket bright enough?	Where can I leave my helmet?
Will I get a lift home?	What is the quickest way?	Is the route well lit?	Where can I be picked up after school?

Once you have decided the safest and quickest way to and from your new school, set a date to practice the journey:

PLAN	Date:	<input type="text"/>	Time:	<input type="text"/>
	Who is going with you?	<input type="text"/>		
RESULTS	How long did it take?	<input type="text"/>		
	What time do I need leave the house on a school day?	<input type="text"/>		

(remember that there might be more traffic in September (after lockdown) so leave some extra time)
